Public is welcome to request Terry Campus drumline to perform at any event

DOVER- The Delaware Technical & Community College, Terry Campus Hammerin' Hawks Drumline is welcoming performance requests from anyone in Kent County who would like to have the group entertain the crowd at their next gathering.

Fans appreciate the Hammerin' Hawks's "show style" which adds flare and showmanship to each cadence.

"It is truly exhilarating," College Vice President and Campus Director Daniel L. Simpson said when asked to describe the drumline. "The students do a great job building excitement and enthusiasm everywhere they go."

The campus group is quickly accumulating a respectable amount of awards.

After the drumline's debut performance in the 2007 Dover St. Patrick's Day Parade, they were awarded the Mary Fitzpatrick Award for best overall entry. They also won first place in the marching category at the 2007 Harrington Christmas Parade and Best Overall in the Middletown Christmas Parade.

According to Mr. Simpson, the students have prepared new cadences and a more complex visual aesthetic to their repertoire for upcoming spring and summer performances.

For those in Kent County who have not seen and heard the Hammerin' Hawks, here is a list of upcoming performances:

- Saturday, March 15 at 2 p.m. Dover St. Patrick's Day Parade
- Sunday, March 16 at 2 p.m. Smyrna St. Patrick's Day Parade
- Saturday, May 3 Old Dover Days
