Hawks lacrosse has first win in opening season

DOVER- Delaware Technical & Community College's Terry Campus Hawks men's lacrosse team won their first game competing in the National Junior College Athletics Association (NJCAA) on Wednesday against the Harford Community College Fighting Owls in Bel Air, Maryland.

According to Terry Campus Athletic Director and Lacrosse Coach John Coveleski, the 17-9 win encouraged the team.

"This season we hope to establish a strong foundation for great things to come," Coach Coveleski said when asked about his goals for the team. "We are working to put Delaware on the national level in lacrosse."
